

CONTEC System Pedal "P-XCX"

black

RRP: €69.95

In cycling, it all comes down to seconds. The CONTEC XC/road pedals "P-XCX" offers a decisive advantage here. It has the functional and reliable SPD system. The pedal also keeps dirt and mud out and is therefore also suitable for cyclocross bikes.The robust axle made of break-resistant CrMo steel is equipped with the typical 9/16" thread and can be mounted with Allen and open-ended spanners on any common crank. The installation and removal of the pedal is therefore not problematic. Thanks to a low-maintenance, sealed compact bearing unit, the "P-XCX" impresses with its excellent smooth running and is optimally protected against the ingress of dirt into the bearing interior. The two-sided CrMo binding with adjustable release hardness enables the pedal to be adapted to individual needs.The clipless pedal weighs approximately 350 g and is supplied with matching cleats. The CONTEC XC/road pedal "P-XCX" is the perfect pedal for those who want to get the most out of their road bike and don't want to compromise on performance.
