

CONTEC Carrier "Trucker DLX Classic"

black

RRP: €25.95

Whether on a touring bike or on the city bike - a rack offers valuable storage space for important things. The CONTEC "Trucker DLX Classic" rear rack made of light aluminium is adjustable and can be mounted on all bicycles with a wheel size from 24" to 28".Thanks to the practical ATRAN VELO transport system (AVS), baskets and bags with suitable mounts can be installed without bolts. In addition, the adjustable rack has a spring flap that reliably secures garments or conventional baskets, and a mounting plate at the rear end to which all common rear lights can be mounted. The elegant front mount cover adds a high-quality look to the slim profile.The rack complies with ISO standards, is approved for a maximum load capacity of 25 kg and weighs 675 g.The "Trucker DLX Classic" by CONTEC is an attractive, functional rack that looks good on every bicycle.
