

CONTEC Fixture Strap "String Deluxe"

black / grey

RRP: €6.95

Gear that slips off the rack and falls off the bike? Not with the CONTEC "String Deluxe" bungee cord! This bungee cord secures loads twice: The elastic cord is doubled and distributes the strain on the material in a clever way.Its length of 580 mm allows gear to be perfectly attached to the bicycle and, if necessary, wrapped several times. The extra strong hook helps here. "String Deluxe" is a convenient aid and visually a high-contrast eye-catcher.
