

CONTEC Single Bag "Neo.Single XL"

black / coolgrey

RRP: €59.95

A stylish look that matches a business suit or a casual outfit in the office: The CONTEC single pannier "Neo.Single XL" is the ideal companion for work with its sporty, discreet design with colour accents at the seams and zippers. Its large volume of 16.5 l in the dimensions 34 x 15 x 35 cm (L x W x H) provides enough space for a packed lunch, a thermos and important documents.The pannier is made of water-resistant polyester, so it reliably protects the contents from moisture and dirt. The pannier has a large main compartment and 2 smaller zip compartments at the front and lid. So everything stays in order. The biker does not have to rummage around to find the needed item.Anyone who rides a bicycle in the dark will appreciate the reflective elements of the pannier. They reflect the headlights of approaching vehicles, thereby increasing safety on the bike.The zip pocket on the back has hooks that allow the bag to be easily attached to the rack. If you remove the pannier and close the zipper, the hooks disappear. The bike pannier now becomes a shoulder bag, which can be comfortably carried with the adjustable strap. For example, the CONTEC "Neo.Single XL" pannier not only looks good on the bicycle, but is also an optical highlight for life at the office as a shoulder bag.
