

CONTEC Single Bag "Transit Waterproof"

black

RRP: €79.95

Well thought out & spaciousTo make your bike tour a complete success, the bags on your bike need to be easy to handle and offer plenty of space for clothes, food and other travel essentials. It also goes without saying that a good panniers must be waterproof. The CONTEC single pannier "Transit Waterproof" impresses in all respects.This quality product from CONTEC offers individual closure options. The panniers with a generous volume of approx. 25 l and dimensions of 30 x 16 x 56 cm (length x width x height) can be adapted to the contents thanks to the hermetic roll closure. In combination with the waterproof polyester/nylon Blender of the outer shell, the roll closure ensures that your luggage is always completely protected from rain and dirt. The sporty look of the outer cover is rounded off by reflective elements on the sides. These reflect the headlights of approaching vehicles and improve safety in the dark. With the practical Rixen & Kaul mounting system, the pannier can be securely hooked and locked to any standard Carrier with a strut diameter of 6 to 12 mm. The hooks are released again by pulling the release mechanism. This makes it easy to remove the Bag.If the pannier is to remain on the bike and only the contents are to be removed, the removable inner bag offers a real advantage. The extra large Bag is ideal for relaxed occasional shopping. The CONTEC single pannier "Transit Waterproof" is perfect for high-quality touring and city bikes thanks to its well thought-out fastening options and attractive design.
