

CONTEC Twin Bag "Via.Tour Double RT"

dim black

RRP: €109.95

The ideal travel companionMay it be a little more? With a volume of 32 liters, the VIA.TOUR DOUBLE RT offers twice as much storage space as the single bag VIA.TOUR of the same collection of CONTEC. It is therefore perfect for bike trips and shopping. The water-repellent polyester protects the stowed things in the bag from rain and moisture. Each side bag has a large main compartment and an extra inner compartment. The pre-mounted Racktime Snap-it adapter allows easy mounting of the bag on the Racktime luggage rack. Reflective elements on the sides make one more visible in road traffic.
