

## CONTEC Kickstand "E-Stand"

black

**Price: €9.99**

Robust and rust resistant If you choose a high-quality bike, you want to be sure it stays upright when you park it. The CONTEC kickstand "E-Stand" prevents falling over, even with heavy loads. Adjustability is key. To ensure that the bicycle kickstand fits optimally to the respective bike, CONTEC offers the "E-Stand" model, which can be adjusted. It can be adapted to wheel sizes from 26 to 28". The kickstand is designed as a very heavy-load durable kickstand. This guarantees high stability, so that it is especially suitable for e-bikes. Even equipped with heavy loads, the bike is safe. The kickstand is made of high-quality die-cast aluminium and is equipped with a hex bolt and a spring ring. The aluminium in this bicycle kickstand is as resistant and rust-free as the sturdy plastic base. A cleverly designed kickstand, which thanks to its stylish black is also an attractive eye-catcher and fits every bicycle.

### Basic Data
