

# CONTEC QR Wrench Set "SQR Lite Select"

**riot red**

## RRP: €15.95

Strong protection in a setSomething you'd rather not think about: If thieves steal the wheel from a locked bike, it's very annoying. To prevent this, the CONTEC "SQR Lite Select" quick release set is an effective solution.The set consists of a front wheel axle (M5 x 115 mm) and a rear wheel axle (M5 x 151 mm).Theft protection that is well thought out: The quick releases can only be opened with an Allen key.The axles are made of high-quality chromium-molybdenum steel, which has a high tensile strength and good anti-break properties.The aluminium 6061 of the axles also has high tensile strength. In addition, it has a low weight.For this quick release kit by CONTEC, there are many attractive designs from the brand's "Select" colour family.
