

CONTEC Rear Derailleur-Protection Arm

black

RRP: €4.95

Secure protection for the rear derailleurMany who count on their bike in everyday life and enjoy bike tours know about the advantages of derailleur gears. The long CONTEC derailleur guard made of sturdy steel effectively prevents damage to the derailleur - on the bike stand or by tipping over. The bracket is suitable for horizontal dropouts and is simply fixed with the QR or the axle nut over the rear derailleur. The guard is the perfect complement for all city or touring bikes with derailleur gears.
