

CONTEC Cassette remover "TFM-190"

hardened steel

RRP €10.95

A tool for SHIMANO cassettes needed? The CONTEC cassette puller is perfect for mounting and removing SHIMANO cassettes. The tool is simply inserted into the locking of the cassette on the removed rear wheel with and can then be loosened with a 1/2" ratchet or a 21 mm spanner. During this process, the cassette is held with a chain whip. The professional tool for all bikes with common SHIMANO cassettes.
