

## CONTEC Riveting tool "TFM Pin Pusher"

World Cup, for all chains, incl. spare pin and spare counterholder

**Price: €9.99**

The bike chain is an important and sensitive component. In the event of a defect, it is therefore necessary to repair it quickly. The CONTEC "TFM Pin Pusher" chain breaker is a practical accessory for those who regularly ride their bike. This applies to professionals on bicycles as well as to amateur cyclists. The chain breaker opens and closes the chain completely without the use of a master link. The replacement of chain links is thus particularly easy. The chain breaker by CONTEC is particularly robust and resistant. It provides reliable services for a long time. Its ergonomic shape ensures that the tool is well-positioned in the hand at every step. It is therefore very comfortable to use. The tool is available in different versions in the colour black. All of them are characterised by their workshop quality. With the chain breaker by CONTEC, cyclists are optimally equipped on every ride.
