

CONTEC Crank remover "TFM-170"

hardened steel

RRP €11.95

High-quality tools are used for small defects or readjustments on the bicycle. This includes the CONTEC crank puller made of hardened steel, which is convincing due to its durability and robustness. This quality product by CONTEC has a 14 mm socket. Suitable for square taper and ergonomically shaped, it is extremely versatile and user-friendly. This crank puller belongs in every tool box and is a must for longer tours.
