

CONTEC Summer Glove "Chili"

size L/9

Price: €14.99

With its profiled silicone surfaces, the palm side of the new CONTEC "Chili" ensures permanent contact with the handlebar even in wet conditions and provides a high level of shock absorption from the ground conditions. Conversely, the upper hand side, is responsible for cooling while riding with its air-permeable Lycra fabric and the extra-thin mesh inserts. And the terry cloth trim on the sides is there for when the wind does not dry all the sweat off the forehead.
