

CONTEC Summer Glove "Crosso"

size S/7

RRP: €19.95

Functional and elegantThe new CONTEC "Crosso" fingerless glove combines a lot of functionality in everyday touring with an elegant shape. Thanks to the grippy palm, the hand always stays on the handlebar, and because the palm is also ergonomically padded, the "Crosso" also protects the joints on long rides. Conversely, the durable material on the upper hand, contributes to the elegant exterior with its flat shape and is pleasantly breathable. The hook-and-loop fastener is responsible for fine adjustment, the "Pull-off System" for quick and easy removal, and the terry cloth thumb for sweat wiping.
