

CONTEC Winter Glove "Tour Plus"

size L/9

Price: €19.99

With the appropriate gloves, cycling is fun even in the cold season. The CONTEC winter gloves "Tour Plus" keep their promise in temperatures below freezing: Their windproof and breathable softshell material prevents moisture accumulation, and the hands remain permanently dry and warm. An extended pulse warmer made of neoprene ensures maximum comfort around the wrist. The palms are made of high-quality and flexible PU leather and reinforced in the thumb area. The "Tour Plus" gloves have good grip and remain in place even after many shifts. In addition, the practical Touch-Finger coating enables the simple operation of touchscreens, such as navigation systems or smartphones. Putting them on is especially simple thanks to the pull-on-aid. The winter gloves are washable and available in a subtle black in various sizes. Ideal for extended winter bike rides or warm hands on the way to work.

Basic Data

Supplier Article Number:	S-4971-GRL
EAN	4250311319759
MSRP:	€39.95
SB-Article	Yes
