size XXL/11, black / neogreen

**Price: €17.99**

The CONTEC "Dense Waterproof" is the right MTB glove for when it's really freezing cold. Its high-necked neoprene pulse warmer and the softshell parts work effortlessly against the cold, and the high-quality Hi-Pora membrane prevents moisture from penetrating. The Glove only lets moisture in through the terrycloth-covered thumb for wiping away sweat. Printed with silicone on the palm for optimum grip and reflective material on the outside for visibility. Available in black/coolgrey, black/neoblue and black/neogreen.
