

CONTEC Carrier Bag "Via.Back RT"

desert sand

Price: €57.50

Sporty touring companion Off on a sporty tour: The VIA.BACK RT pannier bag from CONTEC has with its 32-liter capacity enough space to put jacket, sweater and leg warmers. An extra bottle compartment allows you quick access to your drink, if the mastered uphill stage was nevertheless somewhat more strenuous. Water-repellent polyester is the best protector when the weather changes on your day tour. The stowed things remain largely spared from rain and moisture. In a total of seven compartments of different types, any things find their right place in this stylish bag. Thanks to the pre-mounted Snap-it adapter of Racktime, the CONTEC luggage carrier bag can be mounted and removed easily. Reflective elements make you more visible to other road users. Thus, you come home safely even in the dark.
