

CONTEC Cable pliers "TFM-Cut+"

black

Price: €14.99

The renewal of cables and housings is routine for die-hard cyclists. When cutting cables and housings, a tool is required that produces a clean cut. The CONTEC "Cut+" cable pliers are ideal for cutting cables and housings. The crescent-shaped cut surface made of hardened, wear-resistant steel cuts the wires in the shifter cable housing and cable from all sides so that they are not crushed and split. The ergonomic handle of the tool ensures good grip and protects the hands. The perfect tool for many cutting tasks on the bicycle.

Basic Data

Supplier Article Number:	4576
EAN	4250311356365
MSRP:	€29.95
SB-Article	Yes
DST-Code	2N09
Fedas-Code	160967
Bidex-Code	552050
Brand/Supplier	CONTEC
Unit of measure:	PIECE
Weight	0.206 kg

Technical Data

Design	cables + lines
Main colour	black
Secondary colour	silver
Use	cables , lines
Variant	Article
