

CONTEC Front Light "HL-321 N"

with switch for hub dynamo

RRP: €14.95

Bikes that are ridden on public roads require StVZO-compliant (German Road Licensing Regulation) bicycle lighting. This are reasons for this, because a good bicycle light ensures safety and comfort in the city, but also on longer bicycle rides in the countryside.The CONTEC LED front light "HL-321 N" with 25 lux is specially designed for use with dynamo hubs and enables the best visibility in city traffic as well as on unlit roads. Thanks to the integrated front reflector and good lens, the path in front of the bike is optimally illuminated.The durable black plastic housing in an attractive design can easily be attached to the fork light mount with the supplied stainless and shock-resistant Nirosta steel front light mount . The switch on the back of the housing allows for convenient turning on and off.The CONTEC LED front light "HL-321 N" with 25 lux is ideal for all city and touring bikes with dynamo hubs and the perfect upgrade to conventional halogen front lights.

Basic Data

Supplier Article Number:	51251720-6
EAN	4250311307749
MSRP:	€14.95
SB-Article	Yes
Fedas-Code	160671
DST-Code	2E02
