

CONTEC Front Light "HL-3001"

HL-3001 N+, with switch for hub dynamo, with standlight

RRP: €27.95

Those who ride their bike on public roads need StVZO-compliant (German Road Licensing Regulation) bicycle lighting. Good lighting is just as convenient as it is important for cycling tours.The LED front light "HL-3001 N" by CONTEC is particularly bright with a powerful LED and an effective lens with 45 lux and offers additional road safety with the integrated front reflector in an attractive, round housing made of black plastic. The LED front light is designed for use with dynamo hubs and can easily be attached to the front via the fork braze-on using the stainless steel bracket included. This bike light is operated via a convenient on/off switch on the back of the housing.The CONTEC LED front light "HL-3001 N" is ideal for all touring and city bikes that are ridden on the road and for those who have high demands on the functionality of their bicycle lighting.
