

CONTEC Front Light "HL-2000"

HL-2000 N, with switch for hub dynamo

RRP: €24.95

Seeing and being seen is key, not only, but especially when cycling. Thanks to the CONTEC LED front light "HL-2000" both are provided and thus the highest safety is guaranteed.The CONTEC LED spotlight "HL-2000" with 40 lux ensures the best visibility - even at a greater distance. The high-quality, removable bicycle light in the "HL-2000" version is additionally equipped with a switch for dynamo hubs.The high luminosity of 40 lux, significantly higher than required by road traffic regulations in Germany, is achieved by high-quality LEDs and powerful lithium-ion batteries. Additional visibility and thus safety is ensured by this bicycle light with the integrated front reflector.As with all bicycle parts, CONTEC also pays attention to safety and durability in the case of bicycle lighting. For example, the CONTEC LED front light "HL-2000" is equipped with a surge protector. The cables and bracket are made of Nirosta material.The CONTEC LED front light "HL-2000" is the suitable bicycle lighting for all bicycle types. It impresses with its quality and design and is certified in line with German road traffic regulations. The right bicycle lighting for all who are looking for visible safety!
