

CONTEC Front Light "Retro Classic"

Retro Classic N+, with switch for hub dynamo, with standlight

RRP €22.95

In winter, at dusk and at night, every cyclist needs reliable lighting. With the LED front light "Retro Classic" by CONTEC, athletic riders and those in traffic are always well equipped. The bike light with 20 lux lights up the route optimally without blinding. An integrated front reflector increases functionality and safety at the same time. The black plastic housing is robust and in a trendy retro design. This bicycle lighting by CONTEC has a practical double cable connection. Surge protection is included as is standard. There is also a Nirosta bracket and a switch for dynamo hubs. The LED front light is compatible with almost all bike models and can therefore be used in many different ways. The LED light impresses with its design as well as its functionality and thus upgrades every bicycle.

Basic Data

Supplier Article Number:	513 50 609-6
EAN	4250311340784
MSRP:	€22.95
SB-Article	Yes
Fedas-Code	160671
