

CONTEC Grip "Trail Shock"

black

RRP €20.95

Whether on the MTB or on the sporty fitness or hybrid bike: The right grips and good ergonomics on the handlebars are important prerequisites for performance and control. The CONTEC "Trail Shock" grip impresses with optimised ergonomic features: Its special, curved shape provides natural support for the palms and thus effectively counteracts fatigue symptoms. The special D2 two-component design with 2 rubber compounds together with a grippy profile ensure optimal hold and good damping properties. A soft gel mixture in the palm area ensures maximum comfort and shock absorption on uneven terrain. The hard mixture in the outer grip area, on the other hand, ensures a good hold without slipping or twisting on the handlebar. The CONTEC "Trail Shock" grip is available in pairs and is 129 mm wide. It is ideal for flat bar handlebars on sporty bikes.

Basic Data

Supplier Article Number:	VLG-1192-11D2
EAN	4250311314518
MSRP:	€20.95
