

CONTEC Grip "Tour Deluxe Pro"

black / grey

Price: €12.99

Focus on comfort & functionality The CONTEC grips "Tour Deluxe Pro" combine design, comfort and professionalism in one product. Ergonomically shaped, they are particularly comfortable and allow for pleasant riding, even on longer bike tours. Especially those who often go on long rides know how tired hands can get. A thing of the past with this grip. The intelligent 3D three-component system contributes to this particularly: The grips at the front are medium-soft, which allows the the fingers to grip firmly and securely. Grips and handlebar are securely connected by the hard inside. At the back, the grips are soft to optimally cushion shocks. Thanks to a wing-shaped design, the wrists do not bend. This makes riding particularly comfortable. These bicycle grips by CONTEC are supplied as a pair. They are available in the classic colour combination of black and grey and have a length of 140 mm. A handlebar clamp and bar ends are included with these professional grips. These practical and high-quality components are suitable for almost any bicycle. They are a versatile addition, especially on bumpy routes and longer tours. With the "Tour Deluxe Pro", cyclists optimally equip their bike and ensure maximum comfort as well as increased safety on every route. So your hands always stay fit.
