

CONTEC Grip "Trail D3"

black / grey

Price: €9.99

In city traffic, on the track or off-road, a firm grip is essential to maximise comfort and safety. With the CONTEC grip "Trail D3" every bike is excellently equipped. The special feature of this bicycle grip is the patented D3 three-component system. In the front, the grip is medium-hard to give the fingers a firm hold. In the back, it is softer to absorb all vibrations. The inside is hard to ensure a secure connection between the grip and handlebar. Thanks to the materials used and the good workmanship, this CONTEC grip is a quality product suitable for casual riders and professionals alike. The grip is available as a pair and includes a handlebar clamp. Each grip is 129 mm long and available in the colour combination black and grey. This product by CONTEC upgrades every bicycle in a professional way.
