

CONTEC Grip "Ergo +"

black / grey / green

RRP: €19.95

Thanks to its wing-shaped design, the CONTEC grip "Ergo +" with optimised grip ergonomics effectively prevents the wrists from buckling under continuous load. The special D3 three-component design guarantees good shock absorption: The middle component in the front part gives the fingers a firm grip, the soft component in the back absorbs all vibrations and the hard component on the inside guarantees a secure connection between the grip and the handlebar.The ergonomic grip is available with a simple clamp in black/grey/black, black/grey/green and black/white/red. Perfect for more control and comfort.
