

CONTEC Grip "Tour Deluxe"

135mm long

Price: €7.99

Comfortable and highly functional on any trail in city traffic, on the course or on longer tours, professional grips are essential for the bicycle, because this is the only way to guarantee maximum riding pleasure. The "Tour Deluxe" grips by CONTEC are ergonomically shaped and thus adapt optimally to the rider's hands. A special feature of these bicycle grips is the D3 three-component system: In the front, the grips are medium-soft to give the fingers a firm and secure grip under all circumstances. The rear, on the other hand, is soft to absorb all vibrations. The inner, hard section ensures a secure connection between the handlebar and the grips. Thus, the bike is equipped in a high-quality and optimal way every time it is ridden, from which beginners and professionals alike benefit. The CONTEC grips also reliably counteract hand fatigue on longer rides. This is due to their wing-shaped design, which prevents the wrists from buckling. This significantly increases safety on every ride. The high-quality bicycle grips are supplied with a handlebar clamp. They are available as a pair in the classic colour combination of black and grey. With the "Tour Deluxe" every bike is improved in a comfortable and professional way with a long-lasting quality product.

Basic Data

Supplier Article Number:	VLG 1189D3
EAN	4250311312170
MSRP:	€19.95
DST-Code	2B04
Fedas-Code	160215
SB-Article	Yes
Bidex-Code	205030
Brand/Supplier	CONTEC
Unit of measure:	PAIR
Weight	0.232 kg

Technical Data

Form	ergonomic
Length	135 mm
