

CONTEC Folding Lock "BlockLock"

black

RRP: €59.95

High quality lock for extra securityA bicycle lock must be one thing above all: Secure. With the CONTEC folding lock "Block Lock" the bicycle is securely locked up at any time and anywhere. In this way, it is reliably protected against theft at all times. The highly secure and handy folding lock is made of specially hardened steel. The extra-secure locking cylinder, together with this material, ensures optimum protection. Thanks to the steel links with a synthetic material cover, it is almost impossible to just snap through: Thieves don’t stand a chance.The quality bicycle lock by CONTEC has a mount and 2 keys. So there is always a replacement key available just in case. With a length of 640 mm, the folding lock is particularly versatile. If necessary, it can be folded down to the practical compact dimensions of 55 x 55 x 55 mm.The high-quality CONTEC bicycle lock equips cyclists in the city and on longer tours in the best possible way under all circumstances.
