

CONTEC Folding Lock "KegLock"

black

RRP: €39.95

High security in compact formSometimes you need more: Those who leave high-quality bicycles in the city, at the train station at night or in public places need a particularly secure bicycle lock. The CONTEC folding lock "KEG Lock" doesn't gives thieves a chance. Specially hardened steel and an extra-safe locking cylinder offer extremely high protection against theft attempts with bolt cutters or by lock picking. The synthetic fabric cover of the steel links protects the paint and effectively protects the lock against weathering.In addition to its security features, the folding lock also impresses in terms of comfort: With a length of 600 mm, the bike can be locked up. When folded up, the "KEG Lock" is hardly noticeable due to its compact folding size (Ø: 7 cm x height: 5 cm) and can be comfortably carried on the frame thanks to its mount. The CONTEC "KEG Lock" is particularly interesting for those who value the clean look of their bike and want maximum security.
