

CONTEC Folding Lock "SherLock"

black

RRP: €79.95

SherlockLong and compact at the same time: The new CONTEC folding lock "Sherlock" is 85 cm long unfolded and thus fits around most street lamps and bicycle racks. When mounted to the bike, it is folded to 20x8.5x4 cm and fits elegantly into the look of the bike. In addition to the optical advantages, the "Sherlock" is particularly convincing with its robust bars made of Tredur special steel, the precise In-X locking system and the strong joint bolts. The reversible key system, key-release lock and dust cap provide comfort for long-term use. The "Sherlock" weighs 1.1 kg.
