

CONTEC Pedal "2White"

white

RRP: €34.95

Excellent hold in all positionsThe CONTEC platform pedal "2White" offers the best grip when pedalling in mud and wet conditions thanks to replaceable pins (R-pins) and the large contact area. The pedal is particularly rigid and stable thanks to the one-piece aluminium body - no loose bolts from being heavily used. The break-resistant CrMo axle on smooth-running ball bearings also ensures durability and stability. With the 9/16" thread, the pedal can be mounted on every bike. It weighs 420 g and, due to its removable reflectors, the platform pedal "2White" is ideal for MTB and cyclocross bikes.

Basic Data

Supplier Article Number:	WE- B087R WHT
EAN	4250311334110
MSRP:	€34.95
Bidex-Code	202310
SB-Article	Yes
Fedas-Code	160373
DST-Code	2N02
Brand/Supplier	CONTEC
Unit of measure:	PAIR
Weight	0.456 kg

Technical Data

Bearing type	ball bearing
Design	freeride/downhill
Frame material	aluminium
Housing material	aluminium
Main colour	white
