

CONTEC Front Light "HL-3000 E"

black

RRP: €24.95

E-bikes in road traffic should be equipped with good bicycle lighting to ensure optimal visibility even in dark light conditions.The CONTEC LED front light "HL-3000 E" made of black, stable plastic impresses with its bright 45 lux from a powerful LED. Thanks to the effective lens, excellent directional illumination is ensured. A removable front reflector on the housing also improves visibility at night."HL-3000 E" can be operated with 6 V and is connected to the DC system of the e-bike - so the bicycle lighting is always available even when stopped. The light is mounted to the front fork front light braze-on using the stainless Nirosta steel bracket supplied.Thanks to the certification with the German check number, the CONTEC LED front light "HL-3000 E" is approved for use in road traffic in Germany - the perfect upgrade for an effective bicycle light on an e-bike.

Basic Data

Supplier Article Number:	51252531
MSRP:	€24.95
SB-Article	Yes
Fedas-Code	160671
DST-Code	2E02
