

CONTEC Front Light "HL-3000 E "

black

RRP: €21.95

If you prefer your e-bike and personal fitness to a car on crowded roads, you should pay attention to effective bicycle lighting in road traffic.The CONTEC LED front light "HL-3000 E" with its bright 30 lux and a removable front reflector on the attractive plastic housing in black ensures the best visibility. The effective lens in combination with the powerful LED ensures optimum directional illumination. In addition, the "HL-3000 E" is marked with a German check number and is therefore StVZO-compliant (German Road Licensing Regulation).The CONTEC LED front light "HL-3000 E" is simply mounted to the front light braze-on of the fork with the robust stainless Nirosta steel bracket. It is rated at 6 V for connection to the DC system of the e-bike. The "HL-3000E" is therefore always available when it is needed.A solid finish, with excellent lighting properties and a sporty and discreet look, CONTEC "HL-3000 E" is the perfect bicycle light for all e-bikes that are ridden on the road.
