

CONTEC Front Light "DLUX 50 E+"

self-service package

RRP: €29.95

Well visible with 50 luxThe sun is still shining on the way to visit your parents for coffee, but it's dawn on the way back. Off on the e-bike, lights on: The DLUX 50 E+ LED headlight illuminates the way with its 50-lux beam. Above all, however, it increases visibility in road traffic. If the e-bike has a battery with 6 to 12 volts, this headlight is just right. It is equipped with a plastic universal holder, which allows easy mounting. Small housing cutouts also allow the headlight to spread to the sides, so that you are not only seen from the front or rear. Thanks to a two-axis system, the headlight can be precisely positioned to optimally illuminate the path while not blinding motorists. The lightweight plastic housing offers good weather resistance. The lighting has a German mark of conformity. With the removable front reflector it puts in terms of visibility again a top and meets the requirements of the Road Traffic Licensing Regulations (StVZO).

Basic Data

Supplier Article Number:	61010109
EAN	4251507943710
MSRP:	€29.95
SB-Article	Yes
Fedas-Code	160671
DST-Code	2E02
WEEE registration number	DE92509320
Bidex-Code	207030
Brand/Supplier	CONTEC
Unit of measure:	PIECE
Weight	0.063 kg

Technical Data

Attachment	universal
Current type	DC
Design	front light
E-bike type	special
Features	front reflector
Features	reflector
Illuminant	LED
Intensity	112 lumen
Luminosity	50 lux
Main colour	black
Operating voltage	6,0 V , 6,5 V , 8,0 V , 12,0 V
Power supply	E-bike battery
Range of application	bike
StVZO conform	yes
Variant	Article
