

CONTEC Smartphone Bracket "Spyder"

black

RRP €14.95

Secure Bracket for your cell phoneYour everyday companion on the road is in good hands with this Holder. The CONTEC "Spyder" smartphone holder is suitable for all conventional smartphones, such as the iPhone 5/6/6S or devices from the Samsung Galaxy series. The black clamp is made of silicone. It secures the device firmly to the Handlebar. The Holder absorbs shocks - particularly beneficial on uneven roads or when touring through the forest. Thanks to the flexible silicone, the clamp adapts perfectly to different bicycle handlebars. The practical Holder also has a Flap with 3 different settings. The Straps make attaching it to the bike particularly easy. The smartphone's Display remains clearly visible. With this universal mount, the cyclist always has the reassuring feeling that their cell phone is safely stored and always in view.
