

CONTEC Rearview Mirror "E-View Move"

right

RRP: €27.95

The "E-View Move" rear-view mirror by CONTEC provides an excellent overview on an e-bike or bicycle. The special feature of the mirror is that it can be adjusted by up to 360° on both the mirror head and the handlebar mount. Thus, you have a very good all-round view according to your personal needs.The mirror has a Glare lens which reduces reflection by up to 50%. So there is not much to stand in the way of an excellent rear view.In addition, the "E-View Move" has a stainless steel lens, with its robust frame made of nylon with a fibreglass component.The rear-view mirror was developed for handlebars with a diameter of 22.2 mm. It is available in black as well as for mounting on the right or left side of a regular bike or e-bike handlebar.
