

CONTEC Rearview Mirror "E-View Deluxe"

right

RRP: €29.95

Modern technology and futuristic shape - that's the CONTEC rear-view mirror "E-View Deluxe". It meets high demands on functionality and design. Individually adjustable thanks to the well thought out joint function, the rear-view mirror offers the best view for a cyclist. The wide-angle mirror has a dimming function. It prevents vehicles with high-beam headlights from blinding from the rear. In addition, reflectors at the back provide additional protection. The nylon frame with fibreglass is very robust and also suitable for rides on bumpy terrain.When riding a bicycle, consideration for your own safety and the safety of other road users is important. Even in a group, a bicycle mirror makes the ride more comfortable. "E-View Deluxe" is a helpful companion on all rides. It is easily mounted on a bicycle handlebar with a diameter of 22.2 mm and is then ready to use immediately. In classic black, with a soft blue tint and an unmistakable angular shape: The "E-View Deluxe" rear-view mirror by CONTEC is a safety element on the bicycle and at the same time an attractive eye-catcher.
