

CONTEC Light Set "SL-002"

black

Price: €3.75

The flexible safety plus in road traffic - on the way to work, university or school - cyclists are easily overlooked. That's why additional safety features make sense in safety. In addition to the bicycle lighting, the safety lights with 3 ultra-bright white and red LEDs each can be easily and tool-free with flexible silicone loops universally attached to handlebars, frame, clothing or bags. With the 2 variable functions as a stand or flashing light and a luminous range of 700m, the safety lights made of black plastic ideally complement any bicycle light. The safety lights are available in a set of 2 pieces including 4 CR2032 button cells. Due to its simple and uncomplicated assembly and its excellent lighting properties, the CONTEC safety light set "Dutch Classic SL-002" is ideal for anyone who wants additional safety in road traffic - on the bike or even on foot.
