

## CONWAY Electric trekking bike "Cairon T 5.0" Mod. 22

diamond, 28", black metallic / black matt, 11-speed SHIMANO "Deore", 53 cm / XL

**Price: €2,099.95**

Balanced touring pedelecThe "Cairon T 5.0" is a reliable companion on all routes, whether for everyday use or long-distance touring. CONWAY has given the aluminum frame a fresh overhaul - the fourth BOSCH engine generation of the "Performance CX" variant is now new on the "Cairon T 5.0" and is installed on the bottom bracket for balanced handling. Thanks to the large BOSCH "PowerTube" Battery with a full 750 Wh and the 11-speed SHIMANO "Deore" derailleur gears, the tour can easily be extended into the evening hours and go higher. And with the powerful TEKRO hydraulic Disc Brakes, you can also ride long downhill or spontaneously to a standstill. The wide "Contact Urban" Tires from CONTINENTAL, the Suspension Fork with 80 mm travel and the sturdy Carrier are further indications of the long-distance orientation. The "Cairon T 5.0" is completely suitable for everyday use with the bright 80 lux CONTEC LED Front Light, the frame locks and the Fenders. Of course, the "PowerTube" battery, which is completely integrated into the down tube, and the engine in the bottom bracket area, which blends into the understated frame design, play a key role in the bike's integration. Everything from a single source, so to speak, on this reliable touring pedelec with a high level of operating and riding comfort and a balanced riding style.

### Basic Data

Supplier Article Number:	22080633
EAN	4251507983754
MSRP:	€3,899.95
Bidex-Code	129030
DST-Code	1101
WEEE registration number	DE92509320
SB-Article	No
Fedas-Code	159023
Brand/Supplier	CONWAY
Unit of measure:	PIECE
Weight	27.8 kg

### Technical Data

Battery capacity	750.0 Wh
