

CONTEC Handlebar Bag "Mile Grinder Race 3"

black

RRP: €29.95

Timeless classic handlebar bagSmart thinking, cool design - that's CONTEC's "Mile Grinder Race 3". The black handlebar bag made of waterproof polyester is a timeless classic in terms of design and also scores points with its easy handling and smart features. With a volume of 3 litres, it is suitable for carrying luggage when packing your bike or simply for everyday use on your city-graveler or road bike.The inside of the handlebar bag is divided into different compartments. A small compartment with fleece is ideal for carrying your smartphone or sunglasses. The large main compartment has room for everything else, such as luggage, your wallet or a camera. Flexible mesh nets offer space to hold a multitool or energy bars.The bag is attached to the handlebar of your bike without tools using scratch-free velcro straps. Additional loops on the front of the bag offer you the option of attaching further accessories such as rainwear. You can also attach other bags to the loops (MOLLE system). If you stop at a supermarket or café on your tours, you can simply take off the "Mile Grinder Race 3" and use the carrying strap to convert it into a hip bag or shoulder bag and take it with you to the shop or pub.
