

CONTEC Suspension seat post "Nara"

Ø 27.2 mm

RRP: €59.95

Nara suspension seatposts from CONTEC Suspension seatposts offer one thing first and foremost: high comfort! However, the fact that they also absorb bumps such as tree roots or even when riding over kerbs means that shocks are not transmitted directly to the back. You can adjust the travel of the 350.0 mm long Nara from CONTEC to suit your individual needs. The diameter is 27.2 mm. To relieve your back and buttocks on uneven paths, the steel spring of the CONTEC Nara dampens with its 50 mm travel. Advantages of steel springs: they react to even the smallest bumps and are easy to maintain. The seatpost is suitable for all riders weighing a maximum of 120 kg.
