

CONTEC Suspension seat post "Nara"

Ø 30.9 mm

RRP: €59.95

CONTEC suspension seatpost Nara The Nara from CONTEC is a suspension seatpost that is 350.0 mm long and has a diameter of 30.9 mm. Above all, a suspension Seatpost offers you a lot of comfort. The suspension travel absorbs shocks from cobblestones or uneven forest paths so that they are not transmitted directly to your back. To relieve your back and buttocks on uneven paths, the steel spring of the CONTEC Nara dampens with its 50 mm travel. Advantages of steel springs: they react to even the smallest bumps and are easy to maintain. The seatpost is suitable for all riders weighing a maximum of 120 kg.
