

CONTEC Handlebar "Mito 90"

Ø 25,4mm, grip width: 600mm

Price: €14.99

CONTEC handlebar CONTEC Mito 90 handlebar is made from aluminium and with a width of 600mm. The stem clamp is 25,4mm. The backsweep of 37 ° allows you to grip the handlebar more ergonomically than one without this bend. The backsweep describes the handlebar bend in the direction of the saddle and should avoid the overstretching of the hands and the upper body. The more backsweep, the more relaxed the seating position. And just as the other way around.

Basic Data

Supplier Article Number:	HB4110V 25,4 X 600
EAN	4251507966764
MSRP:	€29.95
Bidex-Code	205010
Fedas-Code	160200
