

CONTEC Handlebar "Mito 90"

Ø 31,8mm, grip width: 660mm

Price: €14.99

CONTEC Mito 90 Handlebar The Mito 90 from CONTEC is a handlebar made of aluminum and with a width of 660mm. The stem clamp is 31,8mm. The backsweep of 37° allows you to grip the handlebar more ergonomically than one without this bend. The backsweep describes the handlebar bend in the direction of the saddle and should avoid the overstretching of the hands and the upper body. The more backsweep, the more relaxed the seating position. And just as the other way around.

Basic Data

Supplier Article Number:	HB4110V 31,8 X 660
EAN	4251507966757
MSRP:	€29.95
Bidex-Code	205010
