

QiO Carrier Bag "Lisa"

black

Price: €28.50

Space for fresh fruit and vegetables. Just like a classic jute bag, you can take "Lisa" with you when you go shopping or anywhere else. The essential difference: "Lisa" can be closed with a Velcro fastener so that nothing falls out or is stolen. Made from water-repellent polyester, it can withstand even short rain showers. Thanks to the pre-assembled Klickfix adapter plate, you can quickly and easily click it onto your QiO front carrier - and detach it again when you get to the supermarket. With the two long carrying straps, you can comfortably put it over your shoulder and take it with you to the supermarket. Valuables such as your wallet and smartphone can be stored in a small inner compartment of the 14-liter Shopping Bag. Reflective elements ensure that you are always visible on your way through the city - especially when you are out and about in the dark or in the rain.
