RRP €116.95

Spacious & stylishClean and minimalist, just like the Scandinavian attitude to life, is the Odense Double twin bag from NEW LOOXS. The 39-liter bag is ideal for exploring the Danish city of Odense by bike. The spacious main compartment has room for souvenirs, snacks, a camera and a change of clothes for a short trip. The Bag is made of polyester and covered with a special plastic (TPU), which makes it very robust and waterproof at the same time. Straps make it easy to attach this bag to your Carrier. Reflective applications round off the features of the Odense Double and make you more visible in traffic.
