

AXA Frame Lock "Imenso Large"

AZ, removable key

RRP €58.95

AXA's Imenso Large frame locks A solid lock that prevents potential thieves from simply riding off with your bike is a frame lock. AXA has one of these in its portfolio with its Imenso Large. When you lock it, a bolt simply slides through the spokes of your rear wheel. A removable key locks the frame locks. You can easily attach the Imenso Large to the perforated rear triangle of your bike. The Imenso Large from AXA is made from steel and plastic.
