

AXA Frame Lock "Imenso Large"

NAZ, non-removable keysART** certification

RRP €60.95

AXA's Imenso Large frame locks The Imenso Large from AXA is a permanently mountable frame lock that is very easy to use. It serves as an immobilizer for short stops at the bakery on the way to work or across the city. Its simple handling makes it ideal for your city bike. If you want to lock the Lock, you can do so quickly and easily with the keys. If the lock is not locked, you cannot remove the keys. The only requirement for fitting the lock is a perforated rear frame to which it can be attached. AXA manufactures its Imenso Large from steel and plastic.
