

BS-BATTERY Battery charger "BK20"

6V / 12V

Price: €117.57

Basic Data

Supplier Article Number:	700547
EAN	3564097005470
MSRP:	€233.18
WEEE registration number	DE92509320
SB-Article	No
Brand/Supplier	BS-BATTERY
Unit of measure:	PIECE
Weight	1.22 kg

Technical Data

Battery type	AGM , Lithium , Lithium-Ion (LiFePO4) , MTF , MTF , SLA , VRLA , gel , standard
Capacity up to	40,0 Ah
Charging cable length	610 mm
Charging current / capacity	2.0 A
Charging units	3
Connection type	crocodile clamps
Design	workshop device
Features	automatic switch off , desulphation mode , keep fresh function
Input voltage (Hz) from	60 Hz
Input voltage (Hz) up to	50 Hz
Input voltage (V) from	110 V
Input voltage (V) up to	230,0 V
Main colour	black
Power cable length	1500 mm
Range of application	motorcycle , scooter
Variant	Article

Voltage

6V, 12V
