

CONTEC Handlebar "Austral"

400mm

Price: €24.99

For secure grips on all trails CONTEC's "Austral" is a lightweight road bike and gravel bike handlebar made of particularly robust 6061 aluminum - ideal for mastering all challenges both on and off the road. The Handlebar Plugs are bent outwards by 12° (flare) to provide a secure handlebar grips on gravel tracks, forest paths and downhill passages. But this bend also pays off as an ergonomic relief on long distances on the road. The 130 mm drop and 75 mm reach also allow a comfortable and permanently pleasant hand position on the bike. The classic round tube diameters allow the effortless attachment of various handlebar bags or other accessories. The weight is 305 g (440 mm). The Handlebar is available in 400, 420 and 440 mm.
